

Ottawa Heart Support Group

(Health, Education, Activity, Research, Targets)

Monday, January 15, 2018

7:30 - 9:00 pm

Guest Speaker: Thierry Mesana, MD, PhD, FRCSC

Topic: Future of Cardiovascular Care

Dr. Thierry Mesana is the President and Chief Executive Officer of the University of Ottawa Heart Institute and Professor of Cardiac Surgery at the University of Ottawa.

A native of France, Dr. Mesana is recognized as one of the leading heart valve surgeons in the world. He received his medical degree at the Université de la Méditerranée, Marseille, France, where he trained in thoracic and cardiovascular surgery. He received his PhD in biophysics and biomechanics at the same university after extensive experimental work on artificial hearts and ventricular assist devices.

OUR MEETING LOCATION IS: The University of Ottawa Heart Institute
40 Ruskin Street, Ottawa, ON
2nd Floor Foustanellas Auditorium

The Ottawa Heart Support Group is an active group of heart patients who meet and wish to improve the quality of life for themselves and their families. We meet on the third Monday of each month, with the hope of helping others. We share experiences and aim to improve awareness and understanding of various heart conditions. Our objective is to reduce the fear, anxiety, and emotional stress that can often result from having a serious health problem. Our focus is on developing positive attitudes and enjoying life to the fullest. We pursue these objectives at our informal, monthly meetings with interesting and informative speaker as well as other heart-related activities. We welcome new members, their family and friends.

Ruskin Street Parking is free after 7:00 p.m.
