

Ottawa Heart Support Group

(Health, Education, Activity, Research, Targets)

Monday May 15, 2017

7:30 - 9:00 pm

Guest Speaker: Calum Redpath, MD, PhD

Topic: Cardiac Electrophysiology: Repairing the Rhythms of the Heart

Dr. Calum Redpath is a Clinician-Scientist and Staff Cardiologist in the Department of Electrophysiology at the University of Ottawa Heart Institute and Assistant Professor in the Division of Cardiology, Department of Medicine at the University of Ottawa.

Dr. Redpath received undergraduate medical training in Glasgow, Scotland and was awarded membership of the Royal College of Physicians & Surgeons of Glasgow (MRCP) in 2000. The work of his Ph.D. studied human cellular cardiac electrophysiology. He joined the Heart Institute in 2010.

OUR MEETING LOCATION IS:

The University of Ottawa Heart Institute
40 Ruskin Street, Ottawa, ON
2nd Floor Foustanelas Auditorium

The Ottawa Heart Support Group is an active group of heart patients who meet and wish to improve the quality of life for themselves and their families. We meet on the third Monday of each month, with the hope of helping others. We share experiences and aim to improve awareness and understanding of various heart conditions. Our objective is to reduce the fear, anxiety, and emotional stress that can often result from having a serious health problem. Our focus is on developing positive attitudes and enjoying life to the fullest. We pursue these objectives at our informal, monthly meetings with interesting and informative speaker as well as other heart-related activities. We welcome new members, their family and friends.

Ruskin Street Parking is free after 7:00 p.m.
